PRODUCTION MATERIAL & DEADLINES

All production material (artwork, photos, copy) as well as camera-ready ads are due by the 10th of each month prior to month of publication. It is the responsibility of the advertiser to notify of any ad changes or intent to provide a new camera ready ad prior to the publication deadline. If production materials or camera-ready ads do not arrive on time, Scottsdale Health will automatically use the prior month's ad for publication. Advertisers will receive a proof regardless of whether it is a new build, changes to an existing ad or a camera-ready ad. Advertiser will be required to sign off on the proof and fax back to Scottsdale Health. Scottsdale Health will not be responsible for any errors whatsoever if a signed proof is not received.

PRINT SPECIFICATIONS / ADS ON DISC

Digital files must be submitted along with a high quality color proof or black and white laser proof and comply with our production specifications. We will not be responsible for improperly prepared files.

MEDIA: Mac-formatted: Zip or CD

FILE FORMAT: Adobe InDesign, Quark Xpress, Adobe Illustrator, Adobe Photoshop. Adobe InDesign is the preferred format. Please note it is not recommended to send a full page ad that has been built in Illustrator.

PDF FILES: PDF files are accepted and must be high resolution, CMYK with fonts embedded. A color proof should accompany all PDF files.

ELEMENT FORMATS: EPS or TIFF files (images/scans). We do not recommend compressed files such as JPEG, due to unpredictable quality. All images, colors, and scans must be CMYK mode (not RGB) at 300 dpi. Include all image links and fonts. All fonts must be supplied, including screen and printer fonts. Do not apply style attributes to basic fonts (menu fonts), such as manually applying bold or italic to a font instead of using the actual bold or italic font. Supply Quark Collect for Output or equivalent report.

CONTENT AND POSITION PROOFS: Supply 100% to size contract color proof such as Imation Digital Match Print or Kodak Approval for all 4/C ads.

DOCUMENT SIZE: Ads not built to exact size will be returned to advertiser for resubmission or adjusted and charged accordingly. All full page bleed ads must include 1/8" bleed on head, face, and foot dimensions. Final trim size is 8.375" x 10.875" so your document size should be 8.625" x 11.125" for a full page, bleed ad. Double page spreads should be built as two separate pages following production specifications for a full page.

PC files & Microsoft Publisher documents are not accepted.
